## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment filed on September 15, 2009, overcomes the rejections set forth in the prior Office action, and has been entered.
2. Claims 15, 17, 19-22, and 25-27, are pending.

### ***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 15, 17, 19-22, and 25-27, are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

A. Claim 15, as amended, reads: *and said hydrophobic or polymer comprises a polymer having a polystyrene basic skeleton and said biodegradable polymer comprises a polymer having a poly(meth)acrylate basic skeleton*. The phrase *hydrophobic or polymer* is indefinite since it appears to imply that a hydrophobic and polymer are being referred to in the alternative.

B. Claims 25 and 26 refer to claims 23 and 24, which have been canceled. Consequently, the metes and bounds of the claim are indefinite.

### ***Allowable Subject Matter***

5. Claims 15, 17, 19-22, and 25-27 remain allowable as indicated in the prior Office action.
